RUN WITH THE SON FOR HAITI RACE SPONSOR

September 2020

Your generous support and nearly 400 runners allowed our 2019 Run with the Son for Haiti to provide \$20,000 directly to St. Michel parish schools in Boucan Carre. We understand that nearly everything changed this year. The only constant is 1200 students who need an education and a daily hot meal provided at their school. Our St. Kateri Haiti committee is determined to maintain support for these students. **Our 5K event will be a virtual run this year.** This new format allows everyone to run alone or with a team on a course of their choosing between November 21 and December 6 and submit their results online.

We understand the current added financial burden the pandemic has imposed on businesses. If you are in a position to donate any amount or provide gift cards for our raffle, I assure you that you will be blessed, as all proceeds go directly to the schools. We all strive to share what we have in an attempt to provide equal opportunity worldwide. We have visited St. Michel parish and interacted with the students and faculty. The solidarity alive in these exchanges is unmatched; and you can share this blessing with your continued support. The schools require our financial support. Their best hope of self-help is through educating their children. After 20 years of twinning, we see direct results in this Haiti community; and we ask for your continued assistance.
