Dear _____

Thank you for your many years of generous support of our "Run/Walk with the Son for Haiti 5K". Your unwavering support through the years has allowed our Haiti ministry to continue supporting the education of 1000 primary and secondary students in Boucan-Carre in Haiti's central plateau. In spite of the political instability in Haiti and the dire economic situation, schooling and the lunch program continues uninterrupted.

Last year's event raised funds to provide a year of free schooling to over 300 students, including tuition support, school supplies, uniforms and a daily hot meal. Your contribution of _____ and that of other sponsors and race participants made this gift of an education possible.

This year, 2025, we celebrate the 19th anniversary of the Run with the Son for Haiti 5K, and we again hope to bring friends and sponsors of Haiti for this fun family event. In past years 300-400 runners and walkers have participated in the race and nearly a hundred additional family members and supporters have gathered at St. Kateri Church for this family fun gathering.

Your partnership in this event will be a win-win for the children of Haiti and for your business by expanding your visibility in the community, while at the same time supporting a life-changing cause. We look forward to placing your company's name on our official race t-shirt, our 5K race website (clickable link to your website) and in our parish bulletin to proudly advertise your support for this popular charity event.

We have included a list of various sponsorship levels. Please examine the attached sheet and choose the level that best meets your company's needs. Please contact Judy Townsend at 757-876-2417 or email judy.townsend@verizon.net if you have any additional questions. We thank you in advance for your partnership.

Sincerely,

Haiti Committee
